The 87th Wilmington International Exhibition of Photography (WIEP) was a tremendous success thanks to the dedicated contributions of over 50 volunteers from the Delaware Photographic Society, whose commitment and hard work ensured that our exhibition ran smoothly. We are grateful to the WIEP Section Directors, the many volunteers, and the judges’ host families who all helped to make the exhibition a success.

This year at WIEP we received over 1,000 prints and over 1400 projected images from around the world. The accepted images that are displayed on the walls of the exhibition hall, and those presented during the projected image show highlight the best of the best of the images entered.

WIEP continued to be one of the few exhibitions that displays framed and matted prints. We continued to ask entrants to donate their prints to help support the matting, framing and exhibiting of the photography for our exhibition at the University of Delaware, Wilmington Campus. We are grateful to the entrants who chose the donate option at the time of exhibition entry to help support the efforts of our exhibition. The sale of prints from around the world helps us to continue our excellent exhibition that attracts thousands of visitors each year. In addition to the matted and framed prints, a professional audio-visual presentation of the best projected images was shown, which is available on a DVD along with the exhibition catalog.

The entire WIEP Team, and the members of the Delaware Photographic Society, send many thanks to the panel of judges that traveled from The United Kingdom and from all over the United States to judge over 2500 images in a single day. The judges selected some of the finest examples of photographic art for your enjoyment.

We also would like to thank the PSA Mid-Atlantic Chapter, the Delaware Valley Council of Camera Clubs (DVCCC) and the South Jersey Camera Club (SJCC) for the donation of medals. Thanks also to our commercial sponsors, our patrons, and the Delaware Division of the Arts for supporting the Exhibition financially, and to Pettinaro Residential for their generous donation of an apartment for use in our processing activities. Additionally, We would like to thank B&H Photo Video, Cameras Etc., and Kehtron Computers for graciously agreeing to serve as vendors during our exhibition.

Shortly after that she joined PSA and continued her journey of photographic learning by entering juried art shows, receiving awards both locally and internationally. She has been actively involved in competitions and judging as a member of the Loveland Photographic Society since 1996, including judging the local Youth Showcase. The Delaware Photographic Society (DPS) was organized on January 28, 1931 as the Delaware Camera Club to encourage and develop interest in photography. The objectives at that time were to get the best authorities to give lectures on photography, to have discussion groups within the membership to share knowledge, and to arrange a photographic exhibition in Wilmington. The name was changed to the Delaware Photographic Society in 2001, with photographic education as the prime mission along with the original objective. The programs listed in this Schedule of Events were selected to provide a varied photographic experience. DPS is a Charter Member of the Photographic Society of America (PSA) and of the Delaware Valley Council of Camera Clubs (DVCCC).
